Welcome back

Login box

- Email & password
- Forgot password

No-account button (with information)

reference:

The image shows a reference login/signup page for 'TheCubeFactory'. The page is split into two main sections. The left section is white and contains the login form. It starts with the 'TheCubeFactory' logo. Below it is the heading 'Welcome back' followed by the instruction 'Please enter your details'. There are two input fields: 'Email address' and 'Password'. Below the password field is a checkbox for 'Remember for 30 days' and a link for 'Forgot password'. A purple 'Sign in' button is below these. At the bottom of the form is a 'Sign in with Google' button and a link for 'Don't have an account? Sign up'. The right section is a purple graphic. It features a stylized illustration of a person with dark hair and a headset, sitting at a desk with a computer monitor. The person is making an 'OK' hand gesture. The background is filled with various white icons related to technology and communication, such as a speech bubble with an 'i', a globe with '24', a laptop, a hand cursor, a checkmark in a circle, and several 'x' and 'o' symbols.

Homepage

Welcome message

Navbar at the top (Home, Settings, Logout)

Meter/graph with daily/weekly Activity score (see left of image)

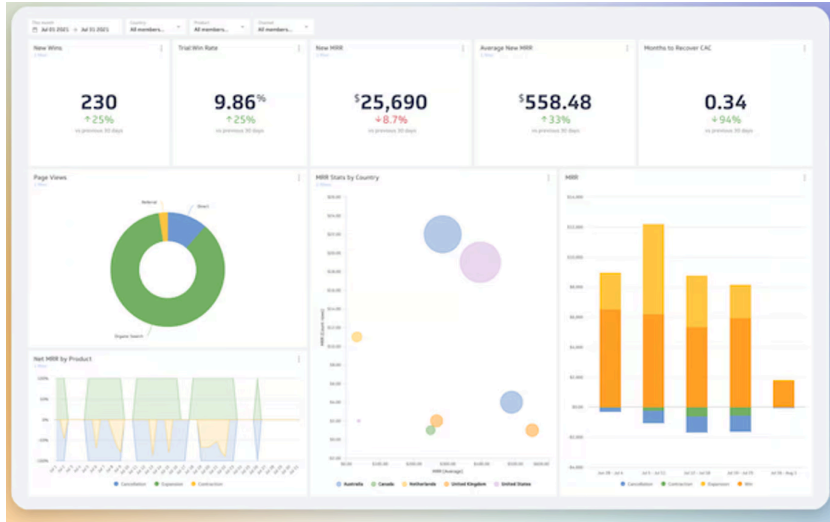

- Step counter
- Pam score

Performance for past weeks

That it compares your current Activity score with the weekly average/monthly average (see right of image)

- Step counter
- Pam score
- Zone score (will be determined by AI)
